Welcome to the world of Parker!  
George Parker always thought it was possible to make a better pen and that philosophy got him to patent his first leak-free fountain pen in 1888. With over a century of experience, passion and pioneering innovation, Parker is today a world-leading brand of exclusive writing instruments. Parker has a wide range of beautifully designed fountain pens, ballpoint- and rollerball pens. The Parker symbol has become synonymous with quality and most pen models still have a clip with the famous arrow.

Parker succeeds to have very exclusive pens and at the same time simpler alternatives that appeal to a mass market. All pens in Parker's range have a 2-year warranty.

## Quality, creativity and 40 years of experience in printing pens.

For 40 years, Ingli Sweden has provided the market with printed promotional pens. It was in 1980 that the founder Jaan Ingel got the idea to start a small printing business for advertising products together with his family in his own basement in Täby, north of Stockholm. His vision was clear. To make long lasting relations and create value by offering his customers creativity, knowledge, service and quality. A strong vision that lives on in the company even until this day.

Today Ingli Sweden is the largest dedicated pen supplier on the Swedish promotional product market. With a large stock of pens in different varieties and our own printing house, we can offer a great deal of options and short delivery times. Ingli Sweden also have the agencies for some of the largest pen manufacturers in the world and have several well-known brands such as INGLI, Stilolinea, Maxema, Cross, Parker, Erga, Bic, Pilot and Ballograf in our assortment. Pens are our passion and our main goal is to make all people aware of the value you get by giving pens.
